THE 16TH NATIONAL MEDICINE FOR OLD AGE PSYCHIATRISTS CONFERENCE

6-7 DECEMBER 2021 20 CAVENDISH SQUARE, LONDON, W1G 0RN

Exceptional speakers and the course was very well organised.”
Consultant Old Age Psychiatrist, Plymouth

Very well organized and great value for money. Thank you for all the effort put in.”
Consultant Old Age Psychiatrist, Bristol

Great conference. More clinically relevant than most other events I have attended.”
SHO in Old Age Psychiatry, Leeds

One of the best conferences I have ever attended. Highly relevant, pitched just right and the Q&A sessions where superb.”
Consultant Old Age Psychiatrist, Cardiff

Excellent two days and worth every penny, very educational and pitched at the right level.”
Consultant Old Age Psychiatrist, Edinburgh

Dear Colleagues,

Please find your personal invitation to attend
The 16th National Medicine for Old Age Psychiatrists Conference

The 2020 conference will see several NEW SPEAKERS & TOPICS and this year I have programmed lectures which will help delegates with common clinical dilemmas faced in the hospital, memory clinic or in the community; for e.g

- Parkinson’s Plus Syndromes
- Nature Of Sleep Disorders
- Alcohol Misuse
- Ophthalmology
- Osteoporosis & Bone Health

The beauty of this conference is it allows you a simple and concise way to collect your 12 CPD points which are so vital to maintaining and advancing your knowledge of geriatric medicine.

The focus of the two days remains to provide you with a vital refresher and update on a wide area of geriatric medicine but also information on recent developments, from leading figures in the area of geriatric medicine but also information on Parkinson’s plus syndromes, management of IHD

Dr Fadi Jouhra, Consultant Cardiologist

To investigate the theories of the physiology of sleep; Pharmacological & non-pharmacological approaches; Current theories regarding pain perception; Chronic Pain

Dr Jo Preston, Consultant Geriatrician

To provide an updated ‘working knowledge’ of geriatric medicine for all grades of specialists

Dr Hugh Selsick, Consultant in Sleep Medicine

To improve the management of medical conditions in the elderly. Current theories of the physiology of sleep; Pharmacological and non-pharmacological management of Osteoporosis

Dr Iain Wilkinson, Consultant Orthogeriatrician

To investigate the management of medical conditions in the elderly. Recent advances in the management of Osteoporosis; Management of Osteoarthritis; When to refer for further investigation

Dr Lain Wilkinson, Consultant Orthogeriatrician

To provide an update on the latest developments and treatments

Dr Raj Shah, Consultant Old Age Psychiatrist

To revise the clinical symptoms and signs of medical conditions

Dr Raj Shah, Consultant Old Age Psychiatrist

The 16th National Medicine for Old Age Psychiatrists Conference

DR RAJ SHAH
