

Nicole Fichter, *ADMEDICO orbital centre*

Nicole Fichter is a specialist in oculoplastic & strabismus surgery and serves as the head of the ADMEDICO orbital centre in Olten/Switzerland. One of her major interests is to promote and geographically expand interdisciplinary clinical collaboration in Graves' orbitopathy. Since 2016 she chairs the Swiss multidisciplinary network basedow.ch. She is an active EUGOGO member since 2009 and member of the EUGOGO executive committee since 2019
