Other

If your abstract does not seem to fit into one of these categories, please pick 'other' or whichever category seems closest. Presentations will be selected on grounds of general scientific worth and not on their fit to these categories.

All abstracts need to be submitted via the online abstract submission form.

When submitting your abstract, please note the following important instructions:

- Without exception, late submissions will not be accepted after **Midnight (GMT), Monday 6<sup>th</sup> July 2026**.
- Authors will be advised of the decision shortly after submission
- All presenters will be required to register separately and pay the appropriate registration fee

#### **Poster Presentations**

Posters will be on display throughout the conference. There will also be allocated Poster Sessions.

When submitting for a Poster Presentation, please note the following:

Poster boards are 2m high and 1m wide. It is recommended that posters do not exceed 90cm wide and 180cm high.
