

Physical Aspects of Polymer Science 2019

11–13 September 2019

University of Lincoln, Lincoln, UK

Organised by the IOP Polymer Physics Group

<http://paps19.iopconfs.org>

The 29th biennial meeting of the Polymer Physics Group provides an opportunity for researchers from both academia and industry to discuss the latest innovations in understanding and manipulating the physical behaviour of a wide range of polymeric systems.

Why sponsor?

- an opportunity to promote your organisation and raise your profile within the wider community;
- promote your company name to national and international participants prior to, during and after the conference – these include decision makers, scientists and students;
- demonstrate your commitment to assisting the development of young researchers;
- your representatives can mix informally with professionals from industry and academia in the UK and all around the world;
- your support of the conference will be acknowledged widely through web-based and printed material;
- sponsorship contributes significantly to the promotion, planning and operation of the conference, reducing the overall cost of managing the event and enabling a higher level of participation.

Exhibition

A table top exhibition will be held alongside the conference on Wednesday 11 and Thursday 12 September 2019.

Why exhibit?

- demonstrate the range and quality of your products and services to a specialised audience;
- maximise your exposure both nationally and internationally and connect with industry representatives;
- establish your company within the scientific community;
- target new customers and build existing relationships;
- showcase new or upgraded product ranges.

Exhibition package

£750+VAT

Space is available as a table top display and includes:

- one 6ft table and chair;
- company logo and link on the conference website;
- company logo and profile in the delegate handbook;
- lunch and refreshments for one exhibitor representative for the duration of the exhibition (11 and 12 September).

Exhibition packages are limited and allocated on a strictly first-come, first-served basis. To reserve your space, please complete and return the exhibition stand reservation form below. The exhibition will be located on the same area as the refreshment breaks and poster sessions.

VAT is charged at the prevailing rate, currently 20%. The Institute's VAT registration number is 461-6000-84.

If you have an idea that will help to increase your company's exposure that is not listed, please contact the conferences team to discuss your options.
