

# 5th International Conference on Quantum Error Correction (QEC19)

29 July – 2 August 2019, Senate House, London, UK

The exhibition for the 5th International Conference on Quantum Error Correction (QEC19) will be held on the first two days of the workshop, on the 29 and 30 July. The conference will bring together a wide group of experts from academia and industry to discuss all aspects of decoherence control, quantum error correction fault tolerant quantum computing and related fields, and is expected to attract up to 300 attendees.
