The exhibition will be held alongside the conference to complement the programme and provide opportunities for companies to showcase their products and services, and connect with the community. We expect 100–150 participants to attend from technical specialists across different disciplines. Participants will be drawn from multiple scientific areas, representing: the analytical sciences, radiochemistry, material science, mathematics and physics as well as law enforcement and government policy makers.

Why exhibit?
- Meet face-to-face with senior decision makers and key influencers
- Position your company alongside other market-leading vendors
- Connect with passionate scientists
- Generate quality leads for your sales and marketing teams

The event will be held in the chemistry building at the University of Bristol. Stands will be located in the foyer area alongside registration, posters and catering, and leading directly into the lecture theatres. The central location of the exhibition ensures maximum footfall to your stand and visibility during the event. Your logo will also be featured on the website raising your profile further.
