

PLASMA 16

43rd IOP Plasma Physics Conference

23–26 May 2016

Sabhal Mòr Ostaig, Isle of Skye, UK

Organised by the IOP Plasma Physics Group

<http://plasma16.iopconfs.org>

The IOP Spring Plasma Conference brings together active researchers from all aspects of plasma science and technology: from theory to experiment, from fusion to astrophysics. The conference therefore offers exhibitors a chance to interact with a diverse group of practitioners drawn from government labs, academic institutions and commercial organisations, with the common theme being the plasma in its multiplicity of applications: high voltage systems, diagnostic measurements, etching and deposition, optical and mass spectroscopy, ellipsometry, imaging techniques, vacuum systems, gas mixtures, magnetic fields, advanced simulation and biophysical uses. The conference organisation allows a fully integrated exhibitor experience, offering a real opportunity for engagement with the research community.

Exhibition

A two-day trade exhibition will be held for delegates to explore the latest advances in magnetic and inertial confinement fusion, astrophysical and space plasmas, low density and technological/industrial plasmas, high energy density and laser plasmas, dusty and complex plasmas, plasma surface interactions, plasma applications including medical applications and plasma diagnostics.

The exhibition is an opportunity for those companies working in plasma physics fields, to meet with conference participants, discuss their latest developments and techniques, and promote their products and services. Exhibitors will also feature on the conference website increasing visibility within the wider community.

The exhibition will be located in the Catering room together with refreshments, lunch and posters.

Who should exhibit?

- Manufacturers or agents providing equipment associated with electron microscopy
- Publishers working in the scientific community
- Employers of science graduates

Exhibition package

£500 + VAT*

Space is available as a table-top display and includes:

- A table and chair in the Catering Room alongside refreshments and posters
- Company logo and link on the conference website
- Access to the technical sessions
- Lunch and refreshments for one exhibitor representative for the duration of the exhibition
- One A4 insert in the delegate packs

Sponsorship

Why sponsor?

- An opportunity to promote your organisation and raise your profile within the wider community
- Promote your company name to participants prior to, during and after the conference – these include decision-makers, scientists and students
- Demonstrate your commitment to assisting the development of young researchers
- Your support of the conference will be acknowledged widely through web-based and printed material
- Sponsorship contributes significantly to the promotion, planning and operation of the conference, reducing the overall cost of managing the event and enabling a higher level of participation.

Conference reception **£300 + VAT***

Wednesday 25 May (exclusive item)

- Acknowledged as the sponsor during the reception
- Acknowledged as a sponsor in the programme
- Logo and link to your website via the conference website

Conference dinner **£600 + VAT***

Wednesday 25 May (exclusive item)

- Opportunity to display material at the conference dinner venue
- Acknowledged as a sponsor in the programme
- Logo and link to your website via the conference website

Poster reception **£200 + VAT**

- Acknowledgement as sponsor in the conference programme
- Company logo and link on the conference website

Coffee breaks **£200 + VAT**

- Acknowledgement as sponsor in the conference programme
- Company logo and link on the conference website

Pens/pads/gift items **£200 + VAT* (per item)**

(exclusive item, sponsoring company to provide items)

- Sponsor's logo can appear on the sponsored item
- Logo and link to your website via the conference website

Delegate wallets inserts **£200 + VAT***

Sponsoring company to provide inserts (maximum size one sheet of A4)

*VAT is charged at the prevailing rate of 20%.
