

Topical Research Meeting on Physics in Food Manufacturing

9–10 January 2017

Sheffield Hallam University, Sheffield, UK

<http://trm-food.iopconfs.org>

Exhibition and sponsorship

The Topical Research Meeting on Physics in Food Manufacturing will address themes in which physics and academia-industry collaborations are likely to make the greatest impact on challenges currently facing food manufacturing. The meeting will bring together physicists from industry and academia to share progress and discuss challenges in the UK's largest manufacturing sector, in which physics plays an important role.

Exhibition

A table-top exhibition will be held alongside the topical meeting in the Cantor Building at Sheffield Hallam University.

Why exhibit?

- demonstrate the range and quality of your products and services to a specialised audience;
- maximise your exposure and connect with industry and academic representatives;
- establish your company within the scientific community;
- target new customers and build existing relationships;
- showcase new or upgraded product ranges;

Exhibition package

£550 + VAT*
